

Achievements never thought possible

EASTER NEWSLETTER 2020

NOTE FROM ANNE MARTIN

HEADTEACHER

Dear Parents/Carers

We would like to express our sincere thanks to you, for your resilience and co-operation during these difficult times.

We are endeavouring to provide support for all our families, whatever your specific circumstances, so please let us know if there are other ways in which we can help you.

We will remain contactable on emails during the Easter holidays, and school will be open again for pupils on Tuesday 21 April. Please let us know nearer the time if you are intending to send your son/daughter back to school then. Depending on numbers of pupils, it is highly likely that there will be a partial closure system, as a number of our staff are unable to work due to their own underlying health conditions. We will obviously keep you fully informed of any developments.

Thank you for your many messages of appreciation for our staff, and we hope that life will return to normal soon for all of us!

SCIENCE THEME DAY

This term pupils have participated in a Science Theme Day. They were able to conduct experiments, dress up as a scientist and learn about sinking and floating. The pupils made a dinosaur and a skeleton picture and thoroughly enjoyed the Moon and Stars Room.

CONGRATULATIONS

We would like to congratulate Michelle Milam on achieving her BCBA (Board Certified Behaviour Analyst) accreditation. This entailed completing a Masters in ABA, gaining seventy five supervision hours and sitting a very tough exam. Well done Michelle!

SAFER INTERNET DAY

On 11th February, pupils participated in Safer Internet Day. The theme this year was Online Identity and pupils made their own Avatar, showing how they would like to be represented online. They created posters to demonstrate what they have been taught. At Quest, Online Safety is embedded into the pupils' curriculum.

SPORT RELIEF

On Friday 13th March, the school participated in fundraising activities for Sport Relief. The pupils and staff wore sports clothes for a £1 donation. They participated in a dance-athon, played some sporty games and between them, over the course of the week, ran over six miles which was fantastic! Thank you for all your kind donations.

Quest School, The Hop Farm, Maidstone Road, Paddock Wood, Kent TN12 6PY.

POLITE REMINDERS TO PARENTS

P.E Kits

Please could you ensure that your child has a P.E Kit in school at all times including plimsolls or trainers. It is an important life skill for them to be able to dress and undress and P.E provides the perfect opportunity for them to develop this skill.

Illness

If your child is sick and will be absent from school, please could you phone the school office by 8.30am each morning. If pupils have sickness or diarrhoea, they cannot return to school for 48 hours after the last bout of sickness or diarrhoea. If pupils have a contagious condition or illness, they cannot return to school until the appropriate course of treatment has been completed.

Spare Clothes

We have a VERY limited supply of spare clothes, which we use if pupils need a change of clothes at school, and do not have a spare set in school. If your child is sent home in these clothes, please could you wash and return them to school as soon as possible.

SCHOOL POLICIES

You can find copies of our policies on the school website: <https://questschool.co.uk>
