

**Quest School**  
**Summary of results from Stakeholder Surveys**  
**Comparisons May 2017 and July 2019**

At Quest School, we regularly undertake a survey of our key stakeholders (parents, pupils and staff) to gather their views on our provision and services. We compile the results from these questionnaires and compare feedback from previous years, to track our performance.

The tables below show a summary of results from stakeholder surveys, from May 2017 and July 2019.

Outcomes from these surveys demonstrate consistently high levels of satisfaction from all stakeholders across all aspects of our provision.

We are proud of these results, which are a testament to the commitment and expertise of our dedicated staff team at Quest School.
