

Quest School
Summary of results from Stakeholder Surveys
Comparisons June 2019 and June 2021

At Quest School, we regularly undertake a survey of our key stakeholders (parents, pupils and staff) to gather their views on our provision and services. We compile the results from these questionnaires and compare feedback from previous years, to track our performance.

The tables below show a summary of results from stakeholder surveys, from June 2019 and June 2021.

Outcomes from these surveys demonstrate consistently high levels of satisfaction from stakeholders across all aspects of our provision. This is particularly pleasing, given the challenges for pupils, parents and staff related to Covid during 2020 and 2021.

We are proud of these results, which are a testament to the commitment and expertise of our dedicated staff team at Quest School.
