

## Quest School Summary of Results from Stakeholder Surveys Comparisons: June 2013 & May 2015

At Quest School, we regularly undertake a survey of our key stakeholders (parents, pupils, staff), to gather their views on our provision and services. We compile the results from these questionnaires and compare feedback from previous years, to track our performance.

The tables below show a summary of results from stakeholder surveys, from May 2015 and June 2013.

Outcomes from these surveys demonstrate consistently high levels of satisfaction from all our stakeholders across all aspects of our provision.

We are proud to share these results, which are a testament to the commitment and expertise of our dedicated staff team at Quest School.
