Achievements never thought possible

Yet another term at The Quest School comes to an end, and what a term it has been! Our students have taken part in two theme days, a woodwork day and sports day. This is as well as all of their regular classes and activities.

We have welcomed both new pupils and new tutors, who have all settled in well to the school. Both Megan Smith and Natalie Georgiou have joined the teaching team but sadly we now say good bye to Elise Cunningham and Sophie Brady who are leaving us at the end of the term.

Woodwork Day

Our students took part in a woodwork day where they made two bird tables as a joint project. They loved using the saws, drills and hammers and the bird tables are now being used around the Hop Farm.

Roman Theme Day

The students enjoyed a Roman Theme Day at the end of May. They made shields, built a Roman road and fort and they participated in a treasure hunt. As you can see from the photos, they all had a great time learning about this period of History in such a fun and interactive way!

Art Exhibition

In July we invited parents and family to come and see the students' art work which they have made throughout the year. Our students were very excited to show off all their hard work.

Sports Day

Following on from the Art Exhibition, the students showed off their athletic skills at Sports Day. Parents and family cheered them on as they took part in a number of races in their teams.

Polite Reminder to Parents

P.E Kits

Please could you ensure that your child has a P.E Kit in school at all times including plimsolls or trainers. It is an important life skill for them to be able to dress and undress and P.E provides the perfect opportunity for them to develop this skill.

Illness

If your child is sick and will be absent from school, please could you phone the school office by 8.30am each morning. If pupils have sickness or diarrhoea, they cannot return to school for 48 hours after the last bout of sickness or diarrhoea. If pupils have a contagious condition or illness, they cannot return to school until the appropriate course of treatment has been completed.

Spare Clothes

We have a VERY limited supply of spare clothes which we use if pupils have accidents at school, and do not have a change of clothes in school. If your child is sent home in these clothes, please could you wash and return them to school as soon as possible.

*We hope you all have a very enjoyable Summer Break and look forward to welcoming pupils back to school on **Wednesday 06th September 2017***
